Concessions Rights:
Kingston concession facilities may be used only for District activities.

Requirements for Use:
- A District employee must be present during the term of the usage agreement.
- Charges begin with the time designated for the opening of the stadium and terminate with the closing of the stadium, including all necessary cleanup.
- If the District determines that security service or police protection is necessary, the sponsor will ensure that the protection is provided and will pay all costs relating thereto.
- When rehearsals are necessary, arrangements and charges will be determined by the stadium manager designee at the time contract terms are reached and stadium needs are determined.
- Any platform stage, decorations, chairs, or additional stage equipment shall be pre-approved by the stadium manager designee.
- Motorized vehicles are not permitted on the track or playing fields.
