

### **Use of Seatbelts**

The District shall utilize three-point, lap-shoulder belts on school district vehicles as required by state law and be used by passengers according to manufacturer standards when the vehicle is in any non-stationary gear.

Students not wearing three-point, lap-shoulder belts, when available, may have their riding privileges suspended. Drivers are not responsible and/or liable for student's wearing seatbelts while riding a school vehicle. Staff will instruct passengers on appropriate seatbelt use.
