Question & Answer for Bid 1485 Ruckus Access Points – Elem School

Q: Part number S01-0001-3LSG. - That is a license support SKU and there is no license SKU on the requested RFP. Can you clarify?

A: We do not need licenses for these APs, we are only looking for support with Ruckus. This project is a one to one replacement of currently deployed Access Points.

Q: What Erate program is the District wishing to use?

A: Preferably SPI.
