Meeting

At the SIAC meeting, we covered the following action steps for the upcoming school year and received feedback regarding the upcoming year:

- We reviewed the student facing aspects we will be addressing next year in our school improvement plans around student sense of belonging
- We also discussed the initial steps around our adult facing work which will include internal feedback sessions and professional development around diversity, equity, inclusion and sense of belonging
- Stacia covered the SEL component of how we are serving students at the various levels in our system including time provided and resources utilized
- We ended the meeting getting feedback from everyone around the structure of the meetings. What aspects are beneficial and which ones are not. What are suggestions for improvements.

Meeting adjourned at 7:20 pm
