

Is your child in 2nd-5th grade?

The University of Iowa Growing Words Project studies language and reading development in children! Our lab is located in **Cedar Rapids on Center Point Road**.

We offer **transportation** to and from our lab as well as compensation! We are **open evenings and weekends** to accommodate work and school schedules.

During this study, your child will do language/reading assessments (in English) and auditory perception tasks. The study will take 1.5-2 hours.

Compensation

- \$25 gift card

Which children are eligible?

- In or recently completed 2nd-5th grade
- Normal hearing
- Normal or corrected vision (glasses/contacts are ok!)
- Speak a language at home that is **not English!**

Interested?

- Call (866) 384-5827 (please leave a voicemail; if we don't answer, we will call you back!)
- Or email us at bilingual-research@uiowa.edu and include your child's grade and preferred lab location—Cedar Rapids or Iowa City—in the message.
