

# Art at Brucemore

## BOWL OF PLENTY

Brucemore is partnering with the Iowa Ceramics Center and Glass Studio to bring a one-of-a-kind workshop to Art at Brucemore! In this workshop, participants will create their own Bowl of Plenty, inspired by those that decorate the Brucemore home and estate. Hand build your unique bowl and then decide what types of fruit, nuts, and foliage you want to mold and place inside your Bowl of Plenty!

**Saturday, May 13**

Sessions at 10:30 AM and 12:30 PM

Tickets \$35 Per Person

Workshops take place in the Brucemore Visitor Center.
