The Cedar Rapids Municipal Band presents eighteen FREE concerts around town this summer and your family is invited. This is a great opportunity to enjoy a variety of musical styles in a relaxed setting. Bring a blanket or lawn chairs. Sit up front or hang out at the back, allowing for physical distancing. A little musical wiggling is okay here. Stay for the full hour but it is okay to leave before we finish.

Concerts start at 7:30 PM. Watch our website for additional 6:30 PM prelude concerts featuring area musicians - great for little ones with early bedtimes.

Visit our website and follow us on social media for weekly updates, playlists, soloists, & more!
