

The top corners of the poster are decorated with stylized leaves in red and green. The background is a light yellow with a subtle watercolor texture.

ART AT BRUCEMORE

# JUNGLE ANIMAL TRINKET BOWL

SATURDAY, JUNE 10  
12:30 PM & 2:30 PM

Brucemore is partnering with the Iowa Ceramics Center and Glass Studio to bring a wild workshop to Art at Bruce more, just in time for Theatre Cedar Rapids' production of *Madagascar: A Musical Adventure* at Bruce more! In this class, you will sculpt a trinket bowl inspired by the characters of *Madagascar* – a lion, a zebra, a hippo, or a giraffe. These trinket bowls are good for holding all sorts of items, including candy, keys, loose change, or even a succulent.

A ceramic trinket bowl in the shape of a lion's head is shown. It is orange-brown with detailed sculpting of the mane and facial features. A small succulent plant is planted in the bowl. The bowl is set against a background of stylized red and green leaves.
