This notice responds to the questions received by the Cedar Rapids Community School District regarding the above bid request.

QUESTION 1	Unfortunately, our routing system cannot take on 32 delivery sites. Is there a reduced number of delivery sites for each school district that would be acceptable? Our whole grain product has a fresh for longer formula which gives it 21 days of shelf life.
ANSWER 1	No. We will need delivery to each site individually. We do not have the transport vehicles to move from school to school.
